

Live Your Duty-Driven Life!

David C. Scott

Speaker * Author * Presenter

Using words and stories from Theodore Roosevelt's extraordinary and influential life, **DAVID C. SCOTT** masterfully connects the wisdom and wit of one of history's greatest presidents to the high ideals of honor and duty in his new book, ***WE ARE AMERICANS, WE ARE SCOUTS***.

The inspiring life of our twenty-sixth president sets the background to illustrate and reinforce the lasting importance of strong character, productive citizenship, and sound leadership. By bridging the past to the present of one of our country's most venerated youth movements, Scott's exciting book teaches us the power of action, the impact of one's potential, and the meaning of living a good and honorable life through the writings and voice of this remarkable patriot, leader, and father.

DAVID C. SCOTT is an avid student of the emerging worldwide Scouting Movement in the twentieth century. A graduate of Vanderbilt University and Southern Methodist University, Mr. Scott has entertained audiences nationwide through his **inspirational** and **motivational** keynote talks and presentations to national patriotic and fraternal groups, Scouting and youth groups.
